

KIRAN SOCIAL FOUNDATION

CIN: U85300MP2021NPL058498

- **The Origination.**

Kiran Social Foundation (CIN: U85300MP2021NPL058498; PAN: AAJCK1633P) "the foundation", is a non-governmental, not-for profit, non-political and non-denominational organization, registered on 22-11-2021 in Indore (MP.) under Section 8, of the Companies Act of 2013, with the aim and the commitment to work in education of underprivileged children, which create a socio-economic change in India.

- **Mission "The Equity".**

The Foundation is an organization formed by religious and non-political people. Our mission is to be close to the underprivileged children and give support to their lives and dreams, working towards finding an alternative to acquiring their basic rights to education & advocating for better education, which improve overall quality of life. Kiran Social Foundation strives to increase access to education for girls, increase inclusive education for children with disabilities.

The Foundation have a sponsorship program for helping individual child. This sponsorship helps for access education, educational materials, and more.

- **Vision "The Access"**

The Foundation defines poverty as the fundamental denial of choices and opportunities in life. The basic rights of a human being are denied whenever a person lacks the possibility of choosing his future and developing his aspirations.

Considering the commitment that we have to generate opportunities to revert this situation, our priority is to reach underprivileged children and support them.

The Foundation provide grants and scholarships to individual student and emphasizes on the equality of opportunity to help children what they want to become so that they have a choice and are not dictated by necessity. The Foundation committed to enable economically disadvantaged children access to be able to study in those institutions, which give access to academic excellence, structures of power and economic opportunity.

- **Conclusion "The Capacity Building"**

Better Education generate dignified and self-sufficient living conditions. Education enabling to person improve their quality of life. Better Education create remarkable space for a person in the community.

This implies fostering processes of sustainable development of our beneficiaries, that is respectful of our beneficiaries' traditions and culture.
